11/23/2022	<u>60</u>	ORDER denying without prejudice Plaintiffs' Motion for Extension of Time to File Response/Reply (ECF No. <u>59</u> ) as the Court cannot decipher what Plaintiffs are asking for relevant to this case. With respect to Plaintiffs' motion for an extension of time to complete discovery (ECF No. <u>51</u> ), if Defendants choose to respond (which the Court does not anticipate because Defendants are seeking the same relief as Plaintiffs in ECF No. 53), the deadline to do so is 12/1/2022, and the deadline for Plaintiffs' reply is 12/8/22. With respect to Defendants' motion for an extension of time (ECF No. <u>53</u> ), the deadline for Plaintiffs to respond is 12/7/22, and the deadline for Defendants to reply is 12/14/22. In addition, the Court directs Plaintiffs to comply with Rule 10 of the Local Rules of Civil Procedure for the Western District of New York, which provides that "documents must have at least one-inch margins on all four sides." Further, the Court directs Plaintiffs to include the docket number when referring to motions or entries on the docket as it is not always clear which document Plaintiffs are referencing. Finally, the Court directs Plaintiffs to refrain from including both case numbers (19-CV-6860 and 14-CV-6719) on a motion or letter that only applies to one of the cases. It is sometimes difficult for the Court to decipher what relief Plaintiffs are requesting for which case since often both case numbers are included on a filing or sometimes the wrong case number is the only one listed on a document. Plaintiffs have two separate cases and it is imperative that they be treated as such. SO ORDERED. Signed by Hon. Mark W. Pedersen on 11/23/2022.
